

stanstills | 2017 catalogue

Love, the moment of truth embraced by emotions and laughter, presented in tears of joy and indescribable happiness, deserves to be immortalized genuinely and sincerely.

Stanstills Photography provides an intimate service catered to every unique couple out there. Single-handedly directed by Stan, a passionate photographer, every moment photographed is guaranteed to be special yet original.

Stan's objective is not just to make sure every marriage photographed is beautiful, but also to be as perfect as if it is his very own. That personal ambition capped with the desire to push the creative boundary, Stanstills Photography promises you one thing, and one thing only: priceless memories crystallized in photographs that will last forever.

Wedding Coverage

Wedding will be personally covered by Stan, in the ninja way (unobtrusive manner).

Meet-up will be scheduled before the Wedding Day, so as to ensure Actual Day timeline runs smoothly and also to provide advice on how your photographs can turn out better.

All images will be edited and returned in high-resolution Jpeg quality, saved onto a USB.
